Privacy Policy - Transparency & Confidentiality

At NordSecPro (IT SECTOR S.L.), we are committed to full transparency and the protection of all client information. Our cybersecurity projects are executed exclusively by in-house senior developers, each of whom has signed a strict confidentiality and disclosure agreement with IT SECTOR S.L.

For every project, a dedicated project leader is assigned. This individual will serve as the direct point of contact with the client, maintaining regular communication during US business hours to ensure seamless collaboration and trust.

We handle all client data securely and in compliance with international data protection standards. No client information is shared with third parties without prior written consent.
